- 150./18 To receive and approve the minutes of the meeting held on 18 October 2018**
- 151./18 To receive a report from the Police**
PS 783 Robert Offord is unable to attend the meeting but has submitted a report as set out at Appendix A.
- 152./18 To hear representations from Members of the Public**
Note: no decisions can be made in response to matters raised under this item.
- 153./18 Planning**
- 153.1./18 To receive and note the Planning and Licensing Report**
In accordance with the views expressed by Councillors, any comments which were uncontentious and uncontested were submitted to the relevant planning or licensing authority as set out in the report attached at Appendix B.
- 153.2./18 [KET/2018/0831](#): Change of use from residential to living accommodation for young adults transitioning into independent living at 7 Thistle Drive, Desborough**
Details of the application have been made available on the Planning Authority's website. The Council is REQUESTED to consider what comment, if any, should be made.
- 154./18 To approve the Council's Insurance arrangements**
The Council's insurances expire on 16 November 2018. Four quotations have been received from leading insurers to local authorities (directly from our existing insurers, and through Came & Company local council insurance which sponsors the SLCC). Council's regularly enter into long term agreements for insurance maintaining price stability. If any significant changes occur (such as high claims or additional coverage needed) then the price will be reviewed. It has been necessary to make significant adjustments to the cover because the previous policy underinsured the Council in a number of key areas. This opportunity has also been taken to insure the Christmas decorations which were previously excluded: the additional cost was negligible.
The Council is RECOMMENDED to accept the quotation from Inspire arranged through Came & Company local council insurance at a cost of £1,746.19 for each of the next three years.
- 155./18 To receive the finance report**
The Council now has full control of the Barclays Bank accounts and immediately transferred the bulk of the funds into the interest bearing account. In accordance with delegated powers, the Town Clerk will maintain only a working minimum amount in the current account. Accounts are being opened in other financial institutions in accordance with the Financial And Treasury Management Strategy And Reserves Policy.
The Council is RECOMMENDED to approve the report (Appendix C to follow).

- 156./18 To consider and if so resolved to approve accounts for payment**
The report set out at Appendix D details those invoices and payments and the Council is RECOMMENDED to approve payment. Details in the report will be updated before the meeting as information is received.
- 157./18 Desborough Library Possible Funding From Desborough Town Council**
At the last meeting, the Council approved a consultation process to take place into the question of the use of Council balances to contribute towards the purchase and running of the Library. A leaflet has been prepared and will be delivered to all residences in the Town, and circulated to business as far as possible. It will also be used at the Gala night (30 November 2018) to help gauge public opinion. The findings will be presented to the December Council meeting. It was expected that by early November 2018 there would be confirmation of the County Council's decision on the future of Desborough Library. No information has been received, and any further information will be presented to the meeting.
- 158./18 Grant towards the cost of Christmas Decorations**
In consultation with the Chair and Vice Chair, the Clerk accepted a grant of £2,450 from Kettering Borough Council towards the cost of providing Christmas decorations in the town and the purchase of new ones. The cost of the erection and connection of the decorations is estimated at £2,900 (plus VAT). Our budget includes £3,100 for the erection and supply of those lights. The contractor (KBC) has been putting up our decorations over the last couple of weeks.
Details of any necessary replacements have been requested. It seems likely that the worst case would be replacements totalling £1,040 which would be added to the shortfall between the grant and the cost of putting them up etc.
The Council is RECOMMENDED to approve:-
i) the purchase of any necessary replacement decorations up to the value of £1,040 (plus VAT);
ii) the appointment of Kettering Borough Council as approved lead contractor for the works.
- 159./18 Safeguarding is everyone's responsibility policy**
The Council does not have a policy covering safeguarding issues. However, it is prudent to have such a policy especially given the use of the meeting room, the sharing of space with the library and the proximity of activities with the library, the emergence of the Youth Council, and the potential use of the Council's space during working hours.
The Council is RECOMMENDED to approve the policy set out in Appendix E.
- 160./18 Use of meeting rooms**
The Council has previously approved use of the meeting rooms in the Council's offices for the Rothwell North Working Party. Approaches have been received from other organisations requesting use of meeting rooms (e.g. Desborough Library And Community Hub, Ofsted Registered Childminders in Desborough, NHS Health Visitors, Desborough and Rothwell Youth Council, and Scope). The Council's lease prevents sub-letting but does not prevent the use of meeting rooms. According to the lease, the large meeting room needs to be available for use by the library at certain times (by prior arrangement). It is not proposed to change this arrangement. However, there are times when the rooms are not being used. No use approved should conflict with the use of the Council's offices, cause disruption to Council business, or involve additional caretaking costs. It has been suggested that a nominal fee might be charged for use
The Council is RECOMMENDED to authorise the Town Clerk to approve use of the rooms where there is no conflicting use, there being no cost to the Council, and subject to a fee being negotiated (unless the Council has determined that no fee be charged).
- 161./18 Freedom of Information Act Publication Scheme**
The policy has been reviewed and updated to incorporate the actual availability of information. The Council is RECOMMENDED to approve the revised policy set out at Appendix F.
- 162./18 To approve new Financial Regulations**
In accordance with the work plan, the Financial Regulations have been reviewed and completely rewritten. The previous Regulations were not internally consistent leading to confusion and potential difficulties. In the spirit of transparency and openness, the document has been drafted in plain English.
The Council is RECOMMENDED to approve the revised Financial Regulations set out in Appendix G (to follow).
- 163./18 Website review and development**
The existing website provider has two styles and if the Council wishes to change to the other then there is a cost attached. Views have been expressed that the current site is not sufficient for the Council's needs and is not flexible enough. In seeking alternative options it is necessary

to understand what is needed in the finished product. The Council is REQUESTED to give views on specific items of functionality they would like to see in the Council's website.

164./18 Plans for the coming year, budget ideas

In preparing the outline draft budgets for 2019/20 and beyond, it is necessary to incorporate the Council's plans for development and projects. A number of schemes have been proposed in previous years which have for various reasons not been completed. Councillors have stated an intention to fund all but necessary, basic, expenditure from balances for the coming year. The Council is REQUESTED to indicate priorities for spending in 2019/20.

165./18 Expenses and Travel Policy

The Council does not have a clear policy on how and when to reimburse Councillors and staff who incur costs on behalf of the Council or whilst on Council business. A policy (Appendix H) has been prepared having regard to the desire to keep the cost of expenses as low as possible whilst reimbursing costs or paying necessary and validly incurred expenditure. The policy defines which duties are authorised, methods of travel, professional subscriptions, eye tests, routine small purchases, miscellaneous expenses, and the approval process. The Council is RECOMMENDED to approve the policy.

166./18 Employer Pensions Discretions Policy

Under the Local Government Pension Scheme (Regulation 60 of the LGPS Regulations 2013 and Benefits, Membership and Contributions Regulations 2007), each employer must formulate, publish and keep under review a statement of their policy in relation to the exercise of its functions. The Council does not have such a policy. In general terms, the Council has a number of discretions available to it. The policy is attached at Appendix I and the schedule of proposed responses to discretions at Annexe A.

The Council is RECOMMENDED to approve the policy and responses to discretions.

167./18 Training Plan

Investigations have been carried out into appropriate training for the Council. The most appropriate training which will be relevant for the Council is provided by NCALC. It is proposed that a package of three sessions be agreed to be delivered at the Council's offices over a 6 month period. The sessions would cover the following:

Session One: An Overview / Introductory Session.

Session Two: Best Foot Forward delivered two to three months after the first session.

Session Three: The Next Steps - delivered six months after session one

The cost for this package, is £299 per session for each two hour session, with the total cost being £897 for three two-hour sessions.

It is RECOMMENDED that the Council approves the training programme as set out.

168./18 Vehicle Speeds, Traffic, and CCTV

A report on meetings held in the last month will be provided.

169./18 To consider and approve revised proposals and a policy for an Honoured Citizen Award scheme

Discussions into the proposed scheme have been held. The Council is REQUESTED to reconsider the matter.

170./18 To note items of information

The report of the Town Clerk (Appendix J) contains information on the following matters and the Council is recommended to note the information contained in the report. No decisions of a financial nature will be made in relation to this item.

170.1./18 To note a report if received from the County Councillor

170.2./18 To note any reports from Kettering Borough Councillors

170.3./18 Update on the Neighbourhood Plan.

170.4./18 To receive and note updates from Desborough community groups and representatives

170.5./18 Rothwell North Working Party (RNWP) update

170.6./18 To receive a report about the Youth Council

170.7./18 Proposed Dunkirk Avenue bench

Declaration

The Council is fully committed to safeguarding the well-being of children and vulnerable adults by protecting them from physical, sexual, emotional harm, and neglect whilst they are engaged in any activity associated with the Town Council.

All staff and Members of the Council must read the Safeguarding Policy. Having read the Policy they should be proactive in providing a safe environment for children and vulnerable people who are involved in Town Council activities.

The policy covers all:-

- staff;

- other organisations operating in Council premises or under the Council's auspices.

Policy Objectives

- i) To ensure that where possible all facilities and activities offered by the Council are designed and maintained to limit risk to children and vulnerable adults.
- ii) To promote the general welfare, health and development of children by being aware of child protection issues and to be able to respond where appropriate as a local government organisation.
- iii) To ensure that all allegations or suspicions of child abuse, or abuse of vulnerable adults, are reported to the Safeguarding Officer

Safeguarding children and vulnerable adults is everybody's responsibility.

- ii) To adhere to the 'List of Recommended Behaviour' namely:
 - A minimum of two adults present when supervising children.
 - Not to play physical contact games.
 - Adults to wear appropriate clothing at all times.
 - Ensure that accidents are recorded in an accident book.
 - Never do anything of a personal nature for a young person.

C. Other organisations

Any organisation which may make contact with children or vulnerable adults shall be required to show proof of its own appropriate Safeguarding Policy before being allowed to participate in the use of any facilities controlled by the Council.

In the event of a contractor, working directly for the Council, being deemed to be working in any area where children or vulnerable adults may be at risk, then that contractor will be required to provide their Safeguarding Policy.

D. The Town Clerk

The Town Clerk has been designated as Safeguarding Officer and the responsibilities include:

- i) Ensuring that participants are appropriately briefed before any Council-organised event with children or vulnerable people;
- ii) Ensuring that Members are aware of the risk they may face in certain circumstances whilst carrying out their duties;
- iii) Ensuring, that whilst Council members are unlikely to be involved with children during the performance of their duties they are mindful of the risk they face;

Library

The Town Council acknowledges that it shares space with the Library and that safeguarding concerns may arise in shared space, or be drawn to the attention of either the Town Council or the Library Service. A decision will be made between the Safeguarding Leads of the Library and the Town Council as to who should take responsibility for any concern, having regard to the circumstances, the nature of the concern, and any activity which led to the concern.

Supervision of Children

The Council does not directly provide care or supervision services to children and vulnerable adults, therefore it expects all children and vulnerable adults using its facilities to do so with the consent and the necessary supervision of a parent, carer or other responsible adult. The Safeguarding Officer will require evidence of such consent and supervision if he deems it necessary.

Expenses and Travel Policy

Policy Aim

The purpose of the policy is to keep the cost of expenses as low as possible whilst reimbursing staff or paying necessary and validly incurred expenditure.

It is the Council's policy that its employees and elected members should not be expected to subsidise the Council, and that the Council should promptly reimburse travel and subsistence costs incurred while on Council business, provided the expenditure has been authorised, receipted and certified in accordance with this policy.

Authorised Duties

Expenses claims will be considered for the following activities:-

- Travelling and associated expenses on journeys on Council business;
- Travel to and from approved training sessions held by NALC, NCALC, SLCC, other approved organisations, and for any training paid for by the Council.

Method Of Travel

Travel should be in the most cost-effective manner taking into account journey time and the nature of the journey as well as monetary cost. When making a decision about travel, the length of time taken to travel should be considered. Our environment will be considered when making decisions. Public transport will be preferred where practical and cost effective. No employees will be defined as essential car users.

- Train: All rail travel shall be by the cheapest standard class fare available. It is strongly recommended that claimants book rail fares in advance whenever possible and make full use of any discounted rates. For attendance at meetings where dates are set well in advance, the use of advance tickets is expected.
- Bus: All bus travel shall be by the cheapest standard fare available, and be subject to a calculation time taken to travel against the cost savings of tickets.
- Car: Reimbursed at current National Joint Council rates. Reasonable parking will be paid. A log must be submitted showing where business journeys commenced and ceased, and the number of miles travelled (deducting any personal element of the journey). Where an employee uses their own vehicle they should ensure that the vehicle is in good working order, fully insured (business use), taxed and has a valid MOT certificate. For the avoidance of doubt, travel between the Council's offices and home will not be paid unless the employee has been called out on an emergency or out of hours.
- Taxi: Taxis shall only be used when essential [e.g. urgency, awkward hours, transport of baggage, health reasons]

Subsistence

A claimant may claim for the costs of meals and beverages reasonably purchased when travelling on Council business. This is intended to reimburse claimants for additional expense as a result of having to travel on Council business. Subsistence will only be paid for business which involves leaving home before 07:00 or returning home after 19:00, or involving a total home to home duration of 8 hours or more. Authorised expenditure on meals and light refreshments, including reasonable (non-alcoholic) drinks with meals, will be reimbursed up to the limits in Annexe 1. Any claim exceeding the maximum allowable costs will be reduced accordingly. Personal incidental expenses cannot be claimed.

Overnight Accommodation

The cost of overnight accommodation will be reimbursed when it can be clearly demonstrated that it is impossible or impracticable to attend the approved duty without staying over the previous night: for example where a journey would have to start from home before 06:00. Any hotel accommodation requirements must be agreed with the Council in advance and should not exceed £75 per night (£90 per night for London) e.g. Premier Inn or Travelodge.

Non-Reimbursable Expenses

The following categories of expense will **not** be reimbursed:

- Those claims not supported by fully documented receipts [NB credit card slips do not count as documented receipts], unless exceptional approval has been given by the Council

- Personal entertainment of any kind.
- Mini bar / bar bills
- Alcohol
- Entertaining other Councillors or individuals.
- Claims for unidentified small items of expenditure.
- Any claims in excess of the maximum limits set by this Policy

Professional Subscriptions

If agreed in advance, employees may claim back the cost of the annual subscription for professional bodies whose activities are directly relevant to the employee's duties. The Council has approved the full payment by the Council of the Town Clerk's membership of SLCC, and for the avoidance of doubt, membership fees for ALCC will **not** be funded by the Council.

Eye Tests

The Council recognises its obligations under the Display Screen Equipment (DSE) Regulations 1992 (as amended). The Council will fund the cost of one annual eye test conducted by a suitably qualified optician for any employees that use display screen (computer monitor) equipment for a significant part of their working day on Council business.

Routine Small Purchases

Purchases of small items of office equipment and consumables (such as paper), or necessities, by the Town Clerk in accordance with the Scheme of Delegation will be reimbursed on production of an approved completed claim form (with receipts).

Miscellaneous Expenses

There may be other incidental expenses incurred by employees that are not covered by these rules such as stationery, which would then prompt a discussion with the Town Clerk. All cases of doubt should be referred promptly to the Town Clerk, or by the Town Clerk to the Chair, prior to incurring the expense.

Receipts

A supporting original receipt for expenses claimed must be attached to the claim form in all cases where these are normally obtainable. Un-receipted expenditure will not be reimbursed except for mileage claims, and at the discretion of Council.

It is important that all Councillors and staff keep full records of expenses claimed and the reasons the expenses were incurred so that they can provide appropriate evidence, if requested, to the Inland Revenue.

Submission and Payment of Claims

All claims must reach the Town Clerk within two months of being incurred. The Town Clerk will scrutinise all claims submitted for approval at the next Council meeting. Claims made by the Town Clerk will be submitted to the Chair for scrutiny and approval.

It is important that claimants keep full records of expenses claimed and the reasons the expenses were incurred so that they can provide appropriate evidence, if requested, to HMRC. In respect of car travel, claimants should keep a log showing where journeys commenced and ceased and the number of miles travelled.

The completed and signed form, with receipts attached, should be given to the Town Clerk for processing. The Town Clerk will scrutinise all claims submitted. Claims made by the Town Clerk will be scrutinised by the Chair. If satisfied that the claims are allowable, they will be approved and paid.

Expense claims are normally paid in the following monthly payment run, unless circumstances require payment sooner.

Abuse Of This Policy

Any abuse in the application of this policy by employees will be dealt with in accordance with the Council's disciplinary policy and may possibly result in disciplinary action being taken, up to and including dismissal. Any abuse in the application of this policy by Councillors will be treated as a breach of the Code of Conduct and dealt with accordingly.

Deliberate falsification of a claim or the evidence needed to make a claim by employees will constitute misconduct. "Falsification" includes the failure to pass on any discount obtained in the course of incurring an expense.

Employer Pensions Discretions Policy

Aim

The Local Government Pension Scheme (LGPS) is a Statutory scheme. The rules and regulations governing the Scheme are laid down under Act of Parliament. There are some provisions of the Scheme that are discretionary. Discretionary powers allow employers to choose how, or if, they apply certain provisions. This document aims to summarise the discretions that Desborough Town Council exercises as an employer in relation to the Local Government Pension Scheme.

Scope

This policy applies to all employees of Desborough Town Council who are eligible to join, or have been a member of, the Local Government Pension Scheme.

Under the Local Government Pension Scheme (Regulation 60 of the LGPS Regulations 2013 and Benefits, Membership and Contributions Regulations 2007), each employer must prepare a written statement of its policy in relation to the exercise of its functions under the Regulations.

The Council will seek external advice before exercising any of the discretions permitted by this policy.

All pension discretions will be reviewed at least every two years, or as and when circumstances change.

The various discretions are set out in Annexe A.

Town Clerk

The Kettering Borough Councillors have been asked to submit a report.

Councillor Tebbutt has stated that he *"Will be able to report next month the outcome of Planning Policy"*.

169.3/18 Update on the Neighbourhood Plan

In September 2013, Desborough Town Council decided to work with local organisations and members of the public to bring forward a Neighbourhood Plan for the town. Following a number of changes in direction and people involved, a draft plan was produced with assistance from consultants. The draft was discussed at consultation events and significant changes were made necessitating further consultation in late September 2017.

There seems to have been no movement since the publication of the second draft (which also does not seem to have been posted on the Council's website until very recently). This second draft was submitted for an external "evidence base and policy review" and a review document produced. This review needs to be considered and changes made to the Draft Plan before seeking formal consultation under Regulation 14.

The Working Party will be meeting through November to make recommendations to the Council at the December meeting.

169.4/18 To receive updates from Desborough community groups and representatives

169.5/18 To receive a report from the Rothwell North Working Party

169.5/18 To receive a report about the Youth Council

A meeting was held and around a dozen or so young people from Desborough and Rothwell attended and were enthusiastic about being involved in local matters.

There was a call for ideas that could be brought forward and a lively discussion took place where several expressions were made around road traffic safety to and from school, trees overhanging the footpath between Desborough and Rothwell, the buses turning across the pavements near to Montsaye and lighting issues in the parks and recreation grounds both in Desborough and Rothwell. There were a wide range of other subjects brought up including can we have pizza every time we meet? The answer was yes if you want to, provided that's what the majority of you want and that you raise the funds yourselves to buy them.

They wanted to meet once a month, and alternate between Desborough and Rothwell. With news about forthcoming Gala nights in both towns the decision was taken to have the first meeting in Desborough on the 28 November at 18:30 in the Desborough Library Building. This is just before the Desborough Gala night on 30 November and will allow planning for that event and a stall with possibly leaflets to hand out about the Youth Council. This will be followed up the following week at Rothwell's Gala evening where again a stall and leaflet will be arranged. Individuals took responsibilities for designing a leaflet, going into Desborough Library to book a stall, making contact about a stall at the Rothwell Gala night. They also set up a WhatsApp group between them to help with communications and have shared contact details.
