REQUEST TO SPEAK

Members of the public are welcome to address the Council at the discretion of the Chair of the meeting for a period not normally to exceed five minutes, subject to:-

- a request being made to the Clerk of that meeting to do so (which may be via email in advance, or using this "Request to Speak" form, ahead of the published start time of that meeting);
- notice being given as to the subject of the question or statement to be made;
- disclosure of any relevant interest you have in relation to the matter you wish to discuss (for example, proximity to a proposed development, or membership of any interest group).

The total time allocated to public questions and statements will normally not exceed 30 minutes. Where it is apparent that multiple individuals wish to speak on the same subject, and taking account of differing views, the Chair may request that a spokesperson be selected by those speakers to represent them, rather than allow all individuals to speak.
